## **DIRECTIONS FOR USE**

To be used only in manufacturing, formulating or repackaging of a pesticide registered under the *Pest Control Products Act*.

## **PRECAUTIONS**

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL  
POTENTIAL SENSITIZER

May cause sensitization. Avoid contact with skin, eyes and clothing. Avoid inhaling /breathing mist. Do not eat, drink or smoke when using this product. Wear protective gloves. Wear respiratory protection.

## **ENVIRONMENTAL PRECAUTIONS**

Do not contaminate water with the product or its container.

## **FIRST AID**

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Treat symptomatically.

## **STORAGE**

Store product in original container only, away from food or feed. Not for use or storage in or around the house. Keep container closed. Keep at a separate refrigerator at 4 °C.

Do not store longer than three weeks after date of manufacture.

**DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

**NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
