number 1-800-334-7577 (24 hours a day).**

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product in a way that is inconsistent with the directions on the label.

**DIRECTIONS FOR USE:** To be used in the manufacture of a pesticide which is registered under the **PEST CONTROL PRODUCTS ACT**.

**PRECAUTIONS:** PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Avoid contact with skin, eyes and clothing. Wash concentrate from skin or eyes immediately. After use wash hands and other exposed skin.

Formulators and other handlers must wear coveralls over a long-sleeved shirt, long pants, chemical-resistant gloves, socks and shoes. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. DO NOT reuse them. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**FIRST AID:** Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**TOXICOLOGICAL INFORMATION:** This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

**ENVIRONMENTAL PRECAUTIONS:** TOXIC to aquatic organisms and non-target terrestrial plants. This product contains a petroleum distillate which is moderately to highly toxic to aquatic organisms. DO NOT contaminate aquatic systems through disposal of waste or cleaning equipment.

**STORAGE:** PARDNER MUP will solidify at temperatures below -20°C but will become usable at temperatures above 0°C. Store the container tightly closed away from seeds, feeds, fertilizer, plants and foodstuffs.

**DISPOSAL:** Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.
