APPLICATOR DIRECTIONS

[Diagram] Connect	[Diagram] Spray	[Diagram] Finish
<ul style="list-style-type: none">• Ensure that the valve ring is turned to the “OFF” position.• Connect sprayer to garden hose.• Turn on water at faucet.	<ul style="list-style-type: none">• To begin spraying, point nozzle in the direction you want to spray.• Turn the valve ring to the “MIX” position.• Spray evenly over measured area.	<ul style="list-style-type: none">• To stop spraying, turn the valve ring to the “OFF” position.• Turn off water.• Relieve water pressure by turning the valve ring to the “WATER” position until water slows to a drip. Then turn the ring back to the “OFF” position.• Disconnect sprayer from hose.

APPLICATION INSTRUCTIONS

Shake well before use. Thoroughly spray insect pests on plants to wetting with diluted product. Repeat treatment weekly or bi-weekly if needed. This product is a contact spray and is effective in its liquid state. Efforts should be made to thoroughly reach all plant parts including undersides of leaves. May be used on edible crops up to and including day of harvest.

USE RESTRICTIONS

Do not use on sweet peas, nasturtiums, delicate ferns. Do not spray when plants are under stress. Use with care on new seedlings, transplants and blooms. Avoid spraying during full sun. Spray early in morning or evening or when overcast. Soap spray may cause marking of some varieties. If concerned about sensitivity of plants, apply to individual plants or small areas of plants and wait to determine if plant damage (phytotoxicity) occurs prior to treatment of larger areas.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Causes eye and/or skin irritation. **DO NOT** get in eyes or on skin and clothing. Use only in well ventilated areas. For good hygiene practice, wear gloves when handling this product.

Avoid direct application to ponds, streams and lakes.

ENVIRONMENTAL PRECAUTIONS

DO NOT apply to any body of water. **DO NOT** contaminate irrigation or drinking water supplies or aquatic habitats by cleaning of equipment or disposal of wastes.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

FIRST AID

If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

STORAGE

Store this product away from food or feed.

DISPOSAL

Do not reuse empty container. Dispose of empty container with household garbage. Unused or partially used products should be disposed at provincially or municipally designated hazardous waste disposal sites.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
