DIRECTIONS FOR USE

To be used only in the manufacture (formulating, repackaging, repouring) of a pest control product solely for export from Canada.

ENVIRONMENTAL PRECAUTIONS

Do not dispose of any portions of this product into water bodies such as lakes, streams, ponds, rivers, estuaries, oceans, or other water bodies.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Prevent access by unauthorized personnel.

Causes eye irritation. DO NOT get in eyes. May irritate the skin. Avoid contact with skin.

FIRST AID

Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

STORAGE

Store in a well-ventilated area. Store this product away from food or feed.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the provincial regulatory agency.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under *the Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
