DIRECTIONS FOR USE: For formulating into animal food processing or manufactured products, a free choice liquid supplement, and animal food or feed containers or dispensers registered under the *Feeds Act*.

FORMULATING INSTRUCTIONS:

After the addition of all other components and pH has been adjusted, add the **Altosid 1% Liquid MUP**, and blend to homogeneity.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Wash thoroughly with soap and water after handling product and before eating, drinking or smoking. Wash contaminated clothing with soap and water before reuse. Do not wear contaminated shoes. Permits may be required for discharges containing this pesticide into lakes, ponds, streams or public waters. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS: Toxic to aquatic organisms.

STORAGE: Store in the original container in a well-ventilated room. Protect from heat or direct sunlight. Store in a dry place.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
