Farmer's Business Network Canada, Inc.
PO Box 5607
High River, Alberta
Canada T1V 1M7
1-844-200-FARM (3276)

DIRECTIONS FOR USE:

To be used only in the manufacture of a product registered under the *Pest Control Products Act*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Fatal if swallowed. Harmful if inhaled.

Avoid contact. Avoid breathing technical dust or fumes. Wash thoroughly after using and before eating or smoking. Wear protective clothing including goggles and respirator when handling technical material.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Medical Personnel should contact Medical Information Services, **1-613-996-6666** or *666 on a cellular phone.

Skin exposure may cause transient sensations (tingling, burning, itching, numbness). Treat symptomatically. If ingested, carry out gastric lavage with care to prevent aspiration.

ENVIRONMENTAL PRECAUTIONS:

TOXIC TO FISH AND AQUATIC ORGANISMS.

Do not contaminate streams, lakes, rivers, ponds or water.

STORAGE:

Keep in original container during storage. To prevent contamination, store this product away from food or feed. Keep away from fire, open flame or other sources of heat.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the manufacturer or the provincial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
