DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

Detailed information on chemical and physical properties and other formulating recommendations for Flucarbazone Technical Herbicide are available from Albaugh, LLC.

Obtain and read this information before use to avoid formulation hazards and ensure a satisfactory finished product.

PRECAUTIONS

- **PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.**
- Avoid contact with eyes, skin, and clothing.
- Do not breathe dust or vapor.
- Wear a NIOSH-approved respirator, protective clothing, and chemical-resistant gloves when handling.
- Follow manufacturer's instructions for cleaning/maintaining PPE (Personal Protective Equipment). If no such instructions for washables, use detergent and hot water. Keep PPE apart from other laundry and wash separately.
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing immediately if pesticide gets inside, then wash thoroughly and put on clean clothing.

FIRST AID

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

No specific antidote is available. Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS

TOXIC to aquatic organisms.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

STORAGE

Store in cool, dry place and in such a manner as to prevent cross contamination with fertilizers, food or feed. Store in original container. Flucarbazone Technical Herbicide is not affected by

freezing.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredient and containers in accordance with municipal and provincial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial regulatory agency.

For medical or treatment information from exposure to this product, call 1-888-347-6732 (7 days/week, 24-hr). For 24-hour chemical spill, leak, fire, exposure, or accident response information, call CHEMTREC toll free at 1-800-424-9300

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use this product in a way that is inconsistent with the directions on the label.
