DIRECTIONS FOR USE: Apply sparingly, not under clothing and only when necessary. **TO APPLY TO FACE:** Spray hands and apply avoiding eyes and mouth. Do not spray directly on the face. Do not spray in enclosed spaces. Reapply after 7 hours if necessary for protection from mosquitoes and 8 hours if necessary for protection from ticks. Do not apply to cuts or irritated skin. Wash contaminated clothing before reuse.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND PETS. Supervise applications on children. Do not apply to the hands of small children. Do not use on infants under 6 months of age. Avoid contact with mouth. Causes eye irritation. **DO NOT** get in eyes. **CONTENTS UNDER PRESSURE.** Store in a cool, dry place. Do not place in hot water or near radiators, stoves, or other sources of heat. Do not puncture or incinerate container or store at temperatures over 50°C. Keep away from open flame or spark.

FIRST AID: If irritation or other adverse effects develop wash with soap and water immediately and discontinue use.

If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give **any** liquid to the person. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: This product contains petroleum distillates. Vomiting may cause aspiration pneumonia. Treat symptomatically.

STORAGE: store this product away from food and feed.

DISPOSAL: Do not reuse empty container. When container is empty, press valve to release all remaining pressure. Wrap and dispose of empty container with household garbage.
