REGISTRATION NUMBER 35297 PEST CONTROL PRODUCTS ACT

S. C. Johnson and Son, Limited, 1 Webster, Brantford ON, Canada N3T 5R1
1-800-558-5566

(SC Johnson, A Family Company)

* fruit flies, drain flies, fungus gnats, mosquitoes and small moths

DIRECTIONS:

USE IN ANY ROOM WHERE YOU SEE FLYING INSECTS*

DIRECTIONS FOR USE:

[STARTER KIT DIRECTIONS FOR USE; visual icon included for each step]

1. Remove the protective peels on both sides of the (refill) (cartridge).
2. Insert the (refill) (cartridge) into the device base.
3. Plug the trap into a wall socket near common insect hangouts. The trap should be positioned UPRIGHT. When blue light is on, it starts to work.
4. Keep the trap plugged in 24/7. When full, unplug the trap and replace with a new (refill) (cartridge).

[REFILL/CARTRIDGE DIRECTIONS FOR USE; visual icon included for each step]

1. Remove the protective peels on both sides of the (refill) (cartridge).
2. Insert the (refill) (cartridge) into the device base.
3. Keep the trap plugged in 24/7. When full, unplug the trap and replace with a new (refill) (cartridge).

(For best results:) (Place traps in areas with heavy flying insect activity and keep plugged in 24/7.) (Replace (refill) (cartridge) when it's full of insects.) (Check (refill) (cartridge) often and dispose of it when the cartridge is full of insects.) (Replace (refill) (cartridge) every 30 days for best performance.) (Rotate device's electrical plug, if needed)

PRECAUTIONS:

Plug only into properly functioning wall outlets where device is ventilated. Do not use with extension cords or multi-plug adapters. Do not immerse in water. Never plug another appliance or cable in an outlet above the warmer device. Use only the product recommended (refills) (cartridges) in this device. Product must be handled/applied by an adult.

WARNING - UV radiation emitted from this device.

Unintended use of the device, or damage to the housing, may result in exposure to ultraviolet radiation.

Ultraviolet radiation may cause eye and skin irritation.

Avoid exposing eyes and skin to ultraviolet radiation.

Avoid skin and eye contact with the glue on the refill/cartridges.

KEEP OUT OF REACH OF CHILDREN AND PETS.

FIRST AID:

If swallowed Call a poison control centre or doctor immediately for treatment advice.
Have person sip a glass of water if able to swallow. Do not induce

vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If in eyes Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Store the device and (refill) (cartridge) in a cool, dry place.

DISPOSAL:

Pull the light trap out of the wall socket. Remove the used (refill) (cartridge) from the device. Simply throw the (refill) (cartridge) in the trash.
