DIRECTIONS FOR USE:

Use Preventol A8 II Technical Fungicide to formulate wood preservatives registered under the *PEST CONTROL PRODUCTS ACT*. To be used only in the manufacture of a pesticide which is registered under the *PEST CONTROL PRODUCTS ACT*. Labelling for products formulated from Preventol A8 II Technical Fungicide must conform to the *PEST CONTROL PRODUCTS ACT*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. Avoid contact with eyes or clothing. Wash thoroughly with soap and warm water after handling and before eating, drinking or smoking. Wash contaminated clothing with soap and hot water before reuse.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label, or product name and Pest Control Product Registration number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

No specific antidote is available. Treat symptomatically.

ENVIRONMENTAL HAZARDS:

Toxic to aquatic organisms. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

STORAGE:

Store in a cool, dry place. To prevent contamination store this product away from food or feed. Store in original container and out of the reach of children, preferably in a locked storage area.

SPILL OR LEAK PROCEDURE:

Handle and open container in a manner as to prevent spillage. If the container is leaking or material spilled for any reason or cause, carefully sweep material into a pile. Refer to Precautionary Statements on label for hazards associated with the handling of this material. Do not walk through spilled material. Dispose of pesticide as directed below. In spill or leak incidents, keep unauthorized people away.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial/territorial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
