## **DIRECTIONS FOR USE**

To be used only in the manufacture of a product which is registered under the *Pest Control Products Act*.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

## **PRECAUTIONS**

KEEP OUT OF REACH OF CHILDREN, ANIMALS AND UNAUTHORIZED PERSONNEL.

Strictly observe all precautions for handling and using pesticides.

Harmful if swallowed or absorbed through skin.

Technical Cypermethrin is a skin and eye irritant and may cause skin sensitization. Avoid contact with skin, eyes and clothing.

Wear appropriate protective clothing and goggles or eye shield when handling or mixing. Wash thoroughly with soap and water after handling and before eating, drinking and/or smoking.

Do not contaminate food, feed or water supplies.

## **FIRST AID**

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Skin exposure may cause transient sensations (tingling, burning, itching, numbness). Treat symptomatically.

## **ENVIRONMENTAL PRECAUTIONS**

TOXIC to aquatic organisms.

## **DISPOSAL**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial/territorial regulatory agency.

## **STORAGE**

Store in original container in a well ventilated, cool, dry and secure area designated for insecticide storage. Ship and store away from food, feed or seed.

## **NOTICE TO USER**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
