NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

FIRST AID

IN CASE OF POISONING: Contact a physician or a poison control centre **IMMEDIATELY**. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed, call a poison control centre or doctor **IMMEDIATELY** for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing, take off contaminated clothing. Rinse skin **IMMEDIATELY** with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

If inhaled, Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

TOXICOLOGICAL INFORMATION

High concentrations of MCPA may cause severe irritation to the eyes. Symptoms of overexposure to MCPA could include slurred speech, twitching, jerking and spasms, drooling, low-blood pressure and unconsciousness.

Treat symptomatically.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. May cause skin and eye irritation. Avoid contact with skin, eyes and clothing. Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

STORAGE

Keep in original container during storage. Store product in cool, dry well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

SPILL CLEANUP

For spillage on floors or paved or hard surface areas, soak up spill with soil or other absorbent material and shovel into waste container for disposal. Wash area with detergent and water, and then rinse. Dispose of absorbent and clean-up materials in an approved landfill site or by incineration. For spillage on soil, remove contaminated soil and dispose of in an approved landfill site. Do not discharge into lakes, ponds, streams or other water. Incinerate waste in permitted facility or dispose of in permitted hazardous waste landfill.

DISPOSAL

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial regulatory agency.

DIRECTIONS FOR USE

To be used only in the manufacture of a herbicide which is registered under the *Pest Control Products Act*
