NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE: To be used in the manufacture of a pesticide which is registered under the ***PEST CONTROL PRODUCTS ACT***.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. May irritate eyes. Avoid contact with eyes, skin or clothing. Potential skin sensitizer. Avoid breathing spray mist. Wash thoroughly after handling and before eating, drinking or smoking. Formulators and other handlers must wear a long-sleeved shirt, long pants, chemical-resistant gloves, protective eyewear (goggles or face shield), socks and shoes. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

FIRST AID: Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not give **any** liquid to the person. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice. **If in eyes,** hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION: No specific antidote is available. Treat the patient symptomatically. This product contains a petroleum distillate. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL PRECAUTIONS: This product contains active ingredients and aromatic petroleum distillates, which are toxic to aquatic organisms. Toxic to non-target terrestrial plants. **DO NOT** contaminate aquatic habitats by cleaning of equipment or disposal of waste.

STORAGE: Store in a cool, dry place. **DO NOT** store at temperatures below -20°C. If frozen, allow to thaw and agitate thoroughly prior to use. Shake well before using. Store this product away from food or feed.

DISPOSAL: Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal or provincial/ territorial regulations. For additional details and cleanup of spills, contact the manufacturer or the provincial/territorial regulatory agency.
