NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.

DIRECTIONS FOR USE:

To be used in the manufacture of products registered under the the Pest Control Products Act.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

Harmful or fatal if swallowed and harmful if inhaled. Avoid breathing vapour or spray mist. When handling STRESS SHIELD 600 MUP, work in a well-ventilated area. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

Formulators and other handlers must wear chemical-resistant coveralls over long-sleeved shirt, long pants, chemical-resistant gloves, socks, chemical-resistant footwear and a respirator with a NIOSH-approved organic-vapour-removing cartridge with a prefilter approved for pesticides OR a NIOSH-approved canister approved for pesticides.

FIRST AID:

If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

ENVIRONMENTAL PRECAUTIONS:

Toxic to birds, small wild mammals and aquatic organisms. Toxic to bees and to certain beneficial arthropods (which may include predatory and parasitic insects, spiders, and mites). Avoid contamination of ponds, streams, rivers and other water sources. DO NOT contaminate these aquatic systems through disposal of waste or cleaning equipment. This product demonstrates the properties and characteristics associated with chemicals detected in

groundwater. The use of this product in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds estuaries, oceans or other waters.

STORAGE;

Store product in original container only, away from other pesticides, fertilizer, food or feed. Keep container closed. Do not store STRESS SHIELD 600 MUP in direct sunlight. Do not store STRESS SHIELD 600 MUP above 35°C. Protect from freezing. Store this product away from food or feed.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and cleanup of spills, contact the manufacturer and the provincial/territorial regulatory agency.
