**DIRECTIONS FOR USE:**

To be used only in the manufacturing, formulating or repackaging of a pest control product registered under the *Pest Control Products Act*.

**PRECAUTIONS:**

**PREVENT ACCESS BY UNAUTHORIZED PERSONNEL:**

- Avoid contact with skin, eyes, or clothing.
- Wash thoroughly after using or before eating, drinking, or smoking.
- Wear clean protective clothing, including chemical resistant gloves, goggles, and a respirator when handling manufacturing products.

**FIRST AID:**

**IF SWALLOWED:**

- Call a poison control centre or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control centre or doctor.
- Do not give anything by mouth to an unconscious person.

**IF IN EYES:**

- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control centre or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control centre or doctor for treatment advice.

**IF INHALED:**

- Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-

2023-10-25

to-mouth, if possible.

- Call a poison control center or doctor for further treatment advice.

Take container, label, or product name and Pest Control Product Registration number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:**

Treat symptomatically. Medical personnel should contact Medical Information Services, toll-free: 1 613-996-6666.

**STORAGE:**

- Do not contaminate water, food, or feed by storage or disposal.
- Store tightly sealed original container in a cool, dry area away from feed, seeds, plants, and foodstuffs.

**ENVIRONMENTAL PRECAUTIONS:**

TOXIC to aquatic organisms.

**DISPOSAL:**

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial regulations. For additional details and clean up of spills, contact the manufacturer and the provincial regulatory agency.

**NOTICE TO USER:**

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
