DIRECTIONS FOR USE:

To be used only in the manufacture of a microbiocide which is registered under the Pest Control Products Act.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. CORROSIVE. CAUSES SEVERE EYE AND SKIN DAMAGE. May cause allergic skin reactions. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, a long-sleeved shirt, long pants and chemical resistant gloves when handling this product. Avoid breathing dust. Do not take internally. Harmful or fatal if swallowed. Avoid contamination of food. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label, or product name and Pest Control Product Registration number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed. Take medicinal carbon. Avoid alcohol.

ENVIRONMENTAL PRECAUTIONS:

Toxic to aquatic organisms.

STORAGE:

Do not contaminate water, food or feed by storage and disposal. Open dumping is prohibited. If plastic do not reuse empty container. This product is corrosive to mild steel. Do not store or transport in unlined metal containers.

DISPOSAL:

Canadian manufacturers should dispose of unwanted active ingredients and containers in accordance with municipal and provincial/territorial regulations. For additional details and clean-up of spills, contact the manufacturer and the provincial/territorial regulatory agency.

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label.
