DIRECTIONS:

Apply sparingly, not under clothing and only when necessary. For best results, spread evenly with hand to moisten all exposed skin. Do not spray directly on face. To apply to face, dispense on palm of hand and spread on face and neck. Reapply once as needed. Do not apply more than twice per day.

PreVent Insect Repellent will repel mosquitoes for 4 to 6 hours and ticks for up to 5 hours. *This unique formula is guaranteed to repel mosquitoes and ticks. Apply PreVent Oil of Lemon Eucalyptus and get your adventure started.*

Apply PreVent Insect Repellent and get your adventure started. The active ingredient in PreVent Insect Repellent is derived from the leaves of the Lemon Eucalyptus tree.

The active ingredient [Oil of Lemon Eucalyptus, hydrated, cyclized][trade named Citriodiol[®]] is derived from eucalyptus citriodora [lemon eucalyptus] oil.

Repels mosquitoes and ticks. Apply sparingly, not under clothing and only when necessary. Dispense into hands and apply over all exposed skin, avoiding contact with eyes and mouth. Do not spray in enclosed spaces. Wash hands after applying. Use just enough to cover exposed skin. Reapply after approximately 6 hours if necessary.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. DO NOT use on infants under 6 months of age. Causes eye irritation. DO NOT get in eyes and avoid contact with mouth. Harmful if swallowed. Discontinue use if signs of irritation or rash appear. Store at room temperature. COMBUSTIBLE. Keep away from heat or open flame. Do not expose to temperatures above 50°.

After returning from outdoors, wash product from all exposed skin and contaminated clothing. Do not allow children to apply this product to themselves. Do not apply to the hands of children. Discontinue if irritation or rash appears. Do not apply over cuts, wounds or irritated skin.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat Symptomatically.

STORAGE:

Store this product away from food or feed.

DISPOSAL:

Do not reuse empty container. Wrap in newspaper and dispose with household garbage.
