DIRECTIONS FOR USE:

TURF:

OVERALL APPLICATION: For the control of chinch bugs, earwigs, ticks, ants, lawn moth (sod webworm), crickets, grasshoppers, brown dog ticks, chiggers, clover mites, pillbugs, fleas, sow bugs, millipedes and springtails (collembola), apply 95 - 196 kg/ha or 975 g - 2 kg per 100 m². Do not water lawns for 2 days after application. Application can be made by hand with a shaker can or using a fertilizer spreader. Repeat the application as necessary. Following application, brush the lawn to ensure penetration of the granules on the soil surface.

WHITE GRUBS (Larvae of European Chafer and Japanese Beetle):
Apply 1.5 kg per 100 m² of lawn. Water grass thoroughly after application. For grub control apply any time between late July

and early October.

LEATHER JACKETS (B.C. only): Apply 750 g per 100 m² of lawn between early October and late May when the soil is not frozen. Water lawn thoroughly after treatment.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid inhaling and contact with skin and eyes. Wash thoroughly after handling. Avoid contamination of food and feedstuff. May be fatal if swallowed.

FISH & WILDLIFE CAUTION

This product is toxic to fish and wildlife. Do not contaminate domestic or irrigation water supplies, lakes, streams and ponds.

FIRST AID

IF SWALLOWED, obtain medical attention immediately. IF ON SKIN, remove contaminated clothing and wash skin thoroughly with soap and water. IF IN EYES, flush with water for 5-10 minutes. If irritation develops seek medical attention.

TOXICOLOGICAL INFORMATION

Stomach lavage. Diazinon is a cholinesterase inhibitor. Antidote: atropine sulphate at 1-2 milligrams every 15 minutes may be necessary.

DISPOSAL

1. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
2. Make the empty container unsuitable for further use.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Conservation and Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
