Caution:

Keep out of reach of children.

Harmful if swallowed, inhaled, or in contact with skin, or eyes. Wear protective goggles and gloves when handling. Keep away from food and feedstuffs. May cause eye and skin irritation.

Directions for use:

To be used only in the manufacture of a herbicide which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

Disposal and decontamination:

Person cleaning up spill is to wear a dust mask, cotton gloves, coveralls and rubber boots.

Gloves can be disposed of after use and coveralls can be cleaned. Sweep up remaining powder into another garbage bag. Wash spill area with water containing household detergent and soak up wash water with absorbent material. Repeat wash and soak up operation two more times.

Place used absorbent in a garbage bag and dispose of in a landfill approved by local municipal requirements. Canadian formulators of this technical should dispose of unwanted active and containers in accordance municipal or provincial regulations.

For additional details and clean up of spills, contact the Provincial Regulatory Agency or the Manufacturer.

First aid instructions:

In case of contact, flush eyes with plenty of water for at least 15 minutes and get medical attention.

Wash skin with plenty of soap and water.

Induce vomiting immediately by giving two glasses of water and

sticking finger down throat.

Notice to user:

This control product is to be used in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
