DIRECTIONS: SHAKE CAN WELL BEFORE USING. Hold can about 2 cm above pet's back and spray the foam from the pet's head to tail. Do not spray face, eyes or genitals. Rub the foam thoroughly into the pet's coat using a comb, brush or hand. Repeat as

necessary, to thoroughly moisten, but not to soak, the entire haircoat. Do not use on puppies or kittens under 8 weeks of age, or nursing females. Consult veterinarian before using on pregnant animals, sick animals, or animals under drug or other pesticide treatment. For effective flea and tick control, treatment of the pet must be combined with the cleanup and sanitation of any area used by the pet. Vacuum floors, carpets, furniture, etc. (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat or store at temperatures over 50EC. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or food-stuffs. Avoid inhalation of spray. Avoid skin contact by wearing rubber gloves. Wash hands after use. Do not puncture or incinerate.

DISPOSAL: When container is empty press valve to release pressure. Dispose of empty container in regular household garbage.

FIRST AID: If sprayed in eyes, flush with clean water. If on skin, wash with soap and water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.
