675 ST-PIERRE SUD, JOLIETTE  
CANADA J6E 3Z1

Kills fleas and ticks on dogs and cats, such as the american dog tick and the brown dog tick.

#### DIRECTIONS

Shake well before using. Hold can in upright position, 25-30 cm from pet, and spray entire body beginning at the tail and working towards the head. Do not spray face, eyes or genitals. As you spray, fluff the hair so that the spray will penetrate to the skin but spray until hair is damp not wet. Spray ticks directly. also spray bed and living quarters if needed. Repeat as necessary. Do not use on nursing females or on puppies or kittens under 8 weeks of age. Consult veterinarian before using on pregnant animals. Do not use on sick animals or animals under drug or other pesticide treatment.

#### PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50'C. Do not spray near open flame or spark or while smoking. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Avoid inhalation of spray. Wash hands after use.

#### DISPOSAL

When container is empty, press button to release all pressure then dispose in household garbage. Do not puncture or incinerate.

#### FIRST AID

If sprayed in eyes or on skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once. Contains carbaryl, a cholinesterase inhibitor. Atropine is antidotal.
