(416) 675-3611  
1-800-387-4857

Manufactured by:  
BASF Aktiengesellschaft  
D-6700 Ludwigshafen  
Federal Republic of Germany

BASF Technical Maneb is registered for manufacturing purposes only. Formulations made from this concentrate may have different properties and uses. Therefore, formulators and manufacturers should develop their own use and precautionary labelling based on their own finished products, and in accordance with all pertinent laws and regulations.

LIMITATIONS:

Do not apply directly as is to crops.

PRECAUTIONS:

Keep out of the reach of unauthorized personnel. Harmful if swallowed. Do not inhale vapours. May cause eye or skin irritation. Avoid contact with eyes, skin and clothing. Wear protective gloves when handling the concentrate. Wash well after handling and before eating, drinking and/or smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated shoes.

FIRST AID INSTRUCTIONS:

IF INHALED:

Remove to fresh air and consult a physician immediately.

IF SWALLOWED:

Induce vomiting. Get medical attention immediately. If patient is unconscious, give air.

IN CASE OF EYE CONTACT:

Flush eyes immediately with water for at least 15 minutes and consult a physician.

IN CASE OF SKIN CONTACT:

Remove contaminated clothing. Wash skin thoroughly with soap and water immediately.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Keep in original container during storage. Store product in cool, dry, well-ventilated place away from feed, food, seed, fertilizer or other pesticides.

Keep away from fire or open flame, or other sources of heat. Keep free of moisture in tightly sealed container. If allowed to become wet or overheated in storage, chemical changes may occur which will impair fungicidal effectiveness, and may also generate flammable vapours.

DECONTAMINATION AND DISPOSAL:

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust or sand. Wash spill area with a detergent solution. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes. If involved in fire, use water, fog, foam, CO(2) or a dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent water used in fire fighting from entering public water supplies.

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the regional office of Conservation and Protection, Environment Canada.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product from that condition.
