NATIONAL CHEMSEARCH

Div. Of NCH Canada Inc.
245 Orenda Road
Brampton, Ontario L6T 1E7

NOT INTENDED FOR HOUSEHOLD USE OR RESALE

Kills flies, moths, cockroaches, ants, mosquitoes, gnats, bedbugs, and silverfish.

To operate: Hold dispenser upright. Point valve opening away from face. Push button to release spray. Hold 60 cm from object being sprayed. Use sparingly. 2 to 8 seconds for an average size (28 cubic metres) room, or 2 to 3 seconds per cubic metres, is sufficient for control of flies, gnats, and mosquitoes.

DIRECTIONS: For best results, close doors, windows, and ventilators for ten minutes or longer. Flies, gnats and mosquitoes- spray towards ceiling and corners of room.

Cockroaches, ants, silverfish: spray into cracks and crevices enveloping the insects. Spray must contact insects to kill. Repeat spraying often.

Bedbugs: Spray mattress, with particular attention to seams and under tufts. Spray springs, beds, and baseboards, seams of loosened wall paper and cracks. Spray mist must contact insects to kill. Repeat spraying often.

Moths: Remove clothes from closets. Brush and air well. Spray clothes thoroughly to kill moth larvae. Spray clothes, trunk drawers and closets every 30 days. Will not stain when used as directed.

Precautions: Contents under pressure. Do not puncture or incinerate container. Do not store or use above 49°C/120°F as container may burst. Avoid contamination of feed and food stuffs. Do not spray directly on plants or shrubbery, walls or woodwork. Remove birds, pets, fish bowls from room before spraying.

First Aid: In case of contact, wash thoroughly with soap and water.

Notice to user: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
