WEEDS CONTROLLED: Black Medic, Burdock, Chickweed, Clover, Dandelion, English Daisy, Heal-all, Lambs Quarters, Wild Morning Glory, Mustard, Pigweed, Plantain, Ragweed, Narrow Leaf Plantain, Sandwort, Shepherd's Purse. These more resistant weeds may require repeat applications: Bindweed, Buttercup, Cinquefoil, Creeping Charlie, Fleabane, Knotweed, Round Leaf Mallow, Ox-eye Daisy, Purslane, Speedwell, Stonecrop, Thistle.

DIRECTIONS: Apply with the hand trigger sprayer attached. Depress button top and adjust nozzle to suitable spray pattern. Apply over 20 square metres of lawn or use for spot treating individual weeds. Apply in May, June or September when weeds are growing actively. Do not apply in excessively hot or dry weather or when rain is expected. Do not apply to newly seeded lawns until after

3rd mowing. Do not water lawn for 24 hours after use. Use only as a spot treatment on bentgrasses. PROTECTIVE CLOTHING: Wear long-sleeved shirt, long pants, socks, shoes and chemical-resistant (e.g., rubber) gloves. OPERATOR USE PRECAUTIONS: Rinse gloves, before removal. Wash hands before eating, drinking, using tobacco or using the toilet. If pesticide penetrates clothing, remove immediately; then wash thoroughly and put on clean clothing. Remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water, then shower. Reuse gloves for pesticide application only. RE-ENTRY INTERVAL: Do not allow people (other than the applicator) or pets on the treatment area during application. Do not enter treated areas until spray has thoroughly dried. MAXIMUM APPLICATION FREQUENCY: For good lawn management, normally two applications per year per treatment site are adequate. This does not include spot treatments.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin, eyes and clothing. Avoid spray drift onto ornamental plants, fruits, vegetables.

FIRST AID: If in eyes, flush with water and get medical attention or contact a poison control centre. If on skin, wash with soap and water. If swallowed, get medical attention at once or contact a poison control centre.

DISPOSAL: Do not reuse container. Wrap in newspaper and dispose of empty container with household garbage.
