READ THE LABEL BEFORE USING

NOXALL PRODUCTS LTD.

1820 W. 3RD AVE., VANCOUVER, B.C.

DIRECTIONS FOR USE: Shake powder from container in concentrated form on lawns or around shrubs or buildings where dogs are a nuisance. Repeat as necessary.

The most effective control for a pet is the sharply spoken word backed up by disciplinary action. This repellent should be used in conjunction with training.

The use of DAWGONE eliminates unsightly guards about your evergreens. It is a most effective means of breaking dogs of their undesirable habits. PRECAUTION: KEEP OUT OF REACH OF CHILDREN. Do not apply on food crops. Avoid contamination of food and feed stuffs. Avoid contact with skin. Wash hands after applying dust.
