DIRECTIONS:

CATTLE, HORSES - Lice and ticks

Dust head, neck, shoulder or withers along the back line and sides and around the tail head. Ensure that the dust reaches to the skin. Repeat application in two weeks to kill newly hatched larva.

HOGS - Lice and ticks

Dust animals lightly in the evening. Rub a small amount between

legs and on the belly. Do not apply to nursing sows. Treat nursing sows before farrowing or after weaning. If treatment is made shortly before farrowing, wash off teats before nursing begins. Do not treat pigs under 25 kilograms.

POULTRY - Lice

Dust directly on the neck, breast, head, under the wings, on the tail and around the vent. Repeat in two weeks to control newly hatched lice.

SHEEP AND GOATS - Lice and ticks (Kebs)

Dust infested areas every two weeks until problem clears up. Insure dust reaches the skin.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.

May be harmful if swallowed or inhaled. Avoid breathing dust. Avoid contact with skin, eyes and clothing. Wash after handling and before eating, drinking or smoking. Do not contaminate food or feed. Do not contaminate any body of water. Toxic to fish and also toxic to hogs if swallowed.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink large quantities of water. DO NOT induce vomiting. Avoid alcohol. Call a physician or poison control centre immediately.

DISPOSAL:

1. Thoroughly empty the contents of the container into the application into the application device.
2. Make the empty container unsuitable for further use.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
