NET CONTENTS: 4 litres

DIRECTIONS FOR USE:

Shake well before using. To protect horses from attacks of Stable Flies, Face Flies, House Flies and Horn Flies. Holding container upright, apply 50 to 80 mL as fine mist directly to horse, being careful to spray back, withers and forelegs thoroughly. Do not spray on face. To protect from face flies, spray onto a cloth and wipe on face avoiding eyes, nose and mouth. Repeat treatment daily, if necessary. Not to be used on newborn or nursing foals. Do not soak skin. Do not cover horses

immediately after treating. Do not apply to back of animal prior to saddling.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Not for use on humans. Avoid spraying in eyes. Avoid breathing spray mist. Avoid contact with skin. Wash hands thoroughly after use. Vacate room after treatment and ventilate before reoccupying. Do not contaminate feed or water troughs. Do not use on sick animals or animals under drug or pesticide treatment. Before using on pregnant animals, consult a veterinarian. This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of waste. Store in cool, dry area. Do not use or store near heat or open flames.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

FIRST AID: If Inhaled: Remove affected person to fresh air. Apply artificial respiration if indicated. If In Eyes: Flush with plenty of water. Contact a physician if irritation persists. If On Skin: Wash affected areas immediately with soap and water. Get medical attention if irritation persists.

DISPOSAL: Do not reuse container. Follow provincial instructions for any required cleaning of the container prior to its disposal. Make empty container unsuitable for use and dispose in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Conservation and Protection, Environment Canada.
