Avoid contact with food, drink and livestock feed material.
Keep away from fire, sparks or other sources of heat.

FIRST AID

Take container, label or product name and Pest Control Product
Registration Number with you when seeking medical attention.

INHALATION: No specific intervention is indicated as the compound is not likely to be hazardous by inhalation. Consult a physician or contact a poison control centre if necessary.

EYE CONTACT: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician or contact a poison control centre.

SKIN CONTACT: Flush skin with water after contact. Wash contaminated clothing before reuse.

INGESTION: No specific intervention is indicated as compound is not likely to be hazardous by ingestion. Consult a physician or contact a poison control centre if necessary.

For medical emergencies and transportation emergencies such as spills, leaks, or fire, call 1-613-348-3616 (24 hours).

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the PEST CONTROL PRODUCTS ACT. Read Technical Bulletin for formulation details.

STORAGE:

Store product in original container only. Store product in a cool, dry, well-ventilated place away from other pesticides, fertilizer, food, seed or feed. Not for use or storage in or around the home. Keep container closed. Keep away from fire, sparks or other sources of heat.

DECONTAMINATION AND DISPOSAL:

Canadian formulators using this product should follow provincial instructions for any additional cleaning of the container prior to its disposal.

Make the empty container unsuitable for further use.

For information on disposal on unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the

manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

Purchase of this material does not confer any rights under patents of countries outside Canada.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
