MAGIC WHITE (WESTERN) LTD.  
1336 LORNE ST. REGINA, SASK. S4R 2K1  
TEL.: 525-5618

DIRECTIONS: Hold container approximately 30 cm from surface being sprayed and spray until wet. Thorough applications produce a coating which will vapourize into cracks and crevices for insect control. Provide adequate ventilation after indoor use. KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY. Thoroughly treat places where insects habitat such as cracks, crevices and spots along baseboards, underneath furniture and equipment, around garbage containers and outside surfaces such as doors, foundations and patios. In dwellings, remove or cover exposed foods, cooking utensils and food preparation surfaces before spraying to avoid contamination. After spraying, clean surfaces which may contact food. Remove pets from the room during spraying. Cover or remove aquaria for 1 hour.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources or heat, or store at temperatures over 50 deg C. Do not spray near flame or spark. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin or clothing. Wash hands after using. DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOOD STUFF, FOOD UTENSILS, FISHBOWLS, OR ANIMAL FEED AREAS. DO NOT USE AS A SPACE SPRAY.

FIRST AID TREATMENT: Contains volatile petroleum distillate. If swallowed, do not induce vomiting. CALL PHYSICIAN IMMEDIATELY. Propoxur is a mild cholinesterase inhibitor. Atropine is antidotal. In case of contact with the skin, wash with soap and water. If in eyes, flush with water for 15 minutes, GET MEDICAL ATTENTION.

DISPOSAL: When container is empty, press button to release all pressure, then dispose in garbage. Do not puncture or incinerate.
