DIRECTIONS

FOR USE IN REPACKING SPA/HOT TUBS BACTERIACIDES REGISTERED UNDER
THE AUTHORITY OF THE PEST CONTROL PRODUCTS ACT.

PRECAUTIONS

- Keep out of reach of children
- Do not mix with any other chemical
- Dangerous gas formed when mixed with Acid
- Strong oxidizing agent. May cause fire or explosion if contaminated
- Avoid contact with skin and eyes
- Harmful if swallowed
- Keep container closed and store in cool dry location
- Rinse container thoroughly before discarding. Do not reuse.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

FIRST AID

In case of contact with skin or eyes, flush thoroughly with water for 15 minutes. If eye irritation persists get medical attention. If swallowed, drink one glass of milk or water. Call a physician or poison control centre IMMEDIATELY.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this

service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
