GUARANTEE:

PYRETHRINS 5.0%
PIPERONYL BUTOXIDE 25.0%

REGISTRATION NUMBER 12311
PEST CONTROL PRODUCTS ACT

Manufactured by
SANEX INC.
2695 SLOUGH STREET
MISSISSAUGA, ONTARIO L4T 1G2

DIRECTIONS:

ULV APPLICATION:

Treat terrain with 2.2 to 2.75 mg of pyrethrins and 11 to 15 grams of piperonyl butoxide per hectare.

Best results are obtained by application when there is a slight breeze of 8 km per hour or less. Fog with the breeze so that the wind will carry the fog from the roads or paths into the areas to be treated. Repeat applications as needed to obtain desired reduction in adult mosquito population.

POWER BACK PACK FOGGERS:

PRO-5 ULV CONCENTRATE INSECTICIDE can also be used in back pack mist blowers such as the SOLS # 423. Treat terrain with 2.2 to 2.75 grams of pyrethrins and 11 to 15 grams of piperonyl butoxide per hectare.

Dilute 1 part of PRO-5 ULV CONCENTRATE INSECTICIDE with 6.5 parts of oil (by weight) to give a solution containing a .67% pyrethrins plus 3.35% piperonyl butoxide. Fog this solution at the rate of 500 mL/hectare based on an 8 meter killing swath. Walk at a steady pace to give an accurate delivery.

PRECAUTIONS:

Keep out of reach of children and pets. Do not contaminate any body of water containing fish with spillages of this concentrate. Mix this concentrate well in drum before use. Keep container closed when not in use. Store in a cool, dry place.

FIRST AID:

For skin contact, wash with soap and water. If swallowed, get prompt medical attention. Danger: This product contains Petroleum Distillates. Do not ingest. If ingested do not induce vomiting. If patient is unconscious give him air. Obtain medical attention immediately.

TOXICOLOGY:

Treatment for the various reactions is symptomatic.

NON-WARRANTY:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information.
