PINE-SOL The all-purpose cleaner disinfectant

For floors, walls, and similar surfaces in kitchen, bathroom, all around the house. Cleans away more than dirt, grease, grime, film and crayon marks. It kills odour causing germs. Stops mould and mildew and their musty odours around tubs, sinks, finished wood surfaces in basement storage areas, garage, boats. Even makes laundry extra fresh and clean. Kills odour-causing bacteria in diapers.

Kills dangerous disease-causing germs, such as Staphylococcus

aureus, Salmonella typhosa, Salmonella choleraesuis. Also kills Trichophyton mentagrophytes, the causative agent of athletes foot in bathtubs and shower stalls.

For effective disinfectant action, surface must be thoroughly wet with formula. No rinsing required except on rubber or asphalt tile.

Contains no phosphorus.

DIRECTIONS

General Cleaning: Use 16 mL per litre of water.

Extra Tough Jobs: Use full-strength and rinse.

Toilet Bowls: Pour 50 mL in bowl.

Mould & Mildew: Use 16 mL per litre of water, thoroughly moistening the affected area. Repeat treatment during your regular cleaning or as necessary. Effective up to 7 days.

Laundry Cleaning: Add 150 mL per wash load with regular soap or detergent.

Pre-Spot Cleaning: Apply full strength, or up to 30 mL PINE-SOL per 500 mL water. Rub, launder as usual.

Diaper Pre-Soak: To sanitize diapers, use 30 mL per litre of water prior to routine laundering.

PRECAUTIONS: Danger - eye irritant. Do not get in eyes. Avoid contamination of food. Harmful if swallowed. Keep out of reach of children. Keep away from heat, sparks and open flame.

FIRST AID INSTRUCTIONS: In case of eye contact, flush thoroughly with water. In case of ingestion, do not induce vomiting. Give one glass of milk or water. Never give anything by mouth to an unconscious person. Contains Pine Oil. Call a physician.
