C-I-L LAWN WEED DOCTOR controls a broad spectrum of weeds including: Dandelions, Plaintain, Chickweed, Clover, Creeping Charlie, Bedstraw, Buttercup, Black Medic (Yellow Clover), English Daisy, Healall, Knotweed, Ragweed, Shepherd's Purse, etc.

DIRECTIONS

READ LABEL BEFORE USE. KEEP OUT OF REACH OF CHILDREN.

Remove sprayer nozzle from the container. Remove lid from container, attached tube to nozzle and attach nozzle to bottle. Attach garden hose to the sprayer nozzle and turn the regulator to the OFF position. The OFF position is when the regulator is turned at right angle to the nozzle. Remove the lid from the

container and attach the sprayer nozzle. Turn on the water. Facing the lawn, turn the regulator to the ON position and begin applying the spray solution evenly over the surface of the lawn. The ON position is when the regulator is in line with the nozzle. Apply 250 mL evenly over an area of 100m². DO NOT APPLY THE SPRAY SOLUTION OR ALLOW SPRAY TO DRIFT ONTO DESIRABLE TREES AND SHRUBS, VEGETABLE GARDENS, OR FLOWER BEDS. Do not overlap areas already treated. When spraying is completed, turn regulator to the OFF position, turn off the water and disconnect hose.

Apply in the spring or early fall when the weeds are actively growing and temperatures are above 10°C. Do not cut grass for several days after application. Do not water within 24 hours of application. Do not apply during periods of hot dry weather or when temperatures exceed 25°C. Do not apply to newly seeded lawns until after the second or third mowing. Repeat as necessary. Fertilize the lawn with GOLFGREEN Lawn Food to fill in bare patches after the weeds are killed.

PRECAUTIONS: Harmful if swallowed. Wash hands thoroughly after use. Causes irritation of eyes and skin. Avoid inhaling spray mist and contact with eyes, skin or clothing. Avoid spray drift onto desirable plants. Do not use on newly seeded lawns or bent grass. Do not use clippings from a freshly sprayed lawn as a mulch. Do not use sprayer for other purposes. Avoid contamination of food, feed, fertilizer, seed, pesticides or any body of water. Store above 0°C. Keep children and pets off treated area during application and until dry.

DISPOSAL: Dispose of empty container with household garbage.

FIRST AID: if on skin, wash with soap and water. If in eyes, flush with water for 15 minutes and get medical aid. If swallowed, obtain medical attention.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on the condition.
