24 HIGHLAND PARK BLVD.
THORNHILL, ONT L3T 1B1

DIRECTIONS: This product is for use against aggressive dogs only. To discharge make sure of the direction of spray, and then press firmly on the release valve located at top of canister. For effective results: the eyes, mouth and nose of attacking dog must be sprayed.

PRECAUTIONS: Severe irritant to eyes, nose and skin can occur. Avoid contact with skin and eyes and inhalation of spray. Contents under pressure. Persons with respiratory problems or wearing contact lenses should not use this product. Do not place in hot water or near radiators, stoves or other sources of heat.

Do not puncture container or store at temperatures over 50 degrees C. While travelling do not store in passenger compartment. Contact air carriers concerning transport.

FIRST AID: If contact occurs with skin, nose or eyes, flush repeatedly with cold water. Symptoms usually do not persist for more than one hour. Obtain medical attention if symptoms persist.

DISPOSAL: When container is empty, press valve to release all pressure. Wrap and dispose with household garbage.
