PEST CONTROL PRODUCTS ACT

A.A.G. Natural Propellent Inc.
P.O. Box 63529 Woodside Sq.
1571 Sandhurst Circle.
Agincourt, ON M1V 1V0

This insecticide is for use only in an automatic aerosol dispenser (Cam Spring Action Type), which releases 55 mg. of insecticide every 15 minutes. The continuous use of this insecticide will reduce flying insect populations (flies, mosquitoes and gnats) within a few hours. One can protects a room up to 170 cubic metres for up to 30 days.

USE AREAS: Restaurants, Food Plants, Hospitals, Food Service Establishments, Lodges, Resorts, Dairies, Horse Stables, Cow Barns and Poultry Houses while they are in operation. Also for

use in Meat Processing Plants when not in operation. Use area must have a least 170 cubic metres of free flow air space.

DIRECTIONS: Dispenser must be located 2-3 metres above the floor at a point where air circulation will carry particles throughout the area. Do not install directly over food or food packaging surfaces. To install can, remove protective cap and insert into dispenser.

PRECAUTION: In meat packing plants, only spray when plant is not in operation. No exposed meat products, ingredients or packaging materials to be left in the room. Any treated surface that may contact meat food products should be washed and rinsed thoroughly with potable water after spraying and before re-use.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50 degrees C.. Do not puncture or incinerate. Do not contaminate food, feed or water. Do not spray over milk or milking equipment. Avoid contact with skin and inhalation of spray mist. Wash after using. Contents toxic to fish and birds. Do not install directly over polished, plastic or varnished surfaces. Do not use in nurseries or rooms where infants, ill or aged persons are confined.

DISPOSAL: Do not reuse container. Wrap and dispose of empty container in regular garbage.

FIRST AID: In case of contact with eyes or skin, flush with water. If irritation persist, seek medical attention. If accidentally swallowed, seek medical attention or call poison control centre at once.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
