WIN CHEMICALS & EQUIPMENT LIMITED
1275 EGLINTON AVENUE EAST, UNIT 61
Mississauga, Ontario
L4W 2Z2

DIRECTIONS:

FOR USE IN NON DOMESTIC SITES. Close all windows, doors and
extinguish open flames during treatment. Point valve opening
away from eyes and lock the valve in the open position. Set can

on a raised spot such as a table and leave the area immediately. Keep area closed for 30 minutes. Ventilate the area by opening windows and doors. Re-entry into treated areas after posting rooms and preventing unauthorized entry would be after four hours aeration. For use in schools or areas where the public has normal access, re-entry to these areas by the public should be after 72 hours or more.

To prevent possible exposure to the operator upon opening the valve at the start of the treatment or when the room needs to be entered in order to facilitate operation a cartridge respirator and eye protection should be available.

PRECAUTIONS:

POSTING ROOM IS A REQUIREMENT FOR THIS USE. KEEP OUT OF REACH OF CHILDREN. Avoid inhalation of spray or contact with skin and eyes. Wash after using. CONTENTS UNDER PRESSURE. Do not place in hot water or near radiators, stove or other sources of heat. Do not puncture or incinerate can or store at temperatures over 50 degrees C. Do not spray into or near any open flame.

FIRST AID:

If sprayed in eyes or on skin, splash with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.

NOTICE TO USER:

This Control Product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control under unsafe conditions.

LIMITATIONS OF WARRANTY:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

DISPOSAL:

Dispose of empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Conservation and Protection, Environment Canada.
