KEEP OUT OF REACH OF CHILDREN

W-420 N.P. is a phosphate free cleaner, disinfectant, fungicide and deodorizer, designed for hospital and institutional use. For use on floors, walls, sink tops, garbage pails, telephones, rest rooms, bed pans and operating rooms. Effective against Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa and pathogenic fungi such as Trichophyton interdigitale. When W-420 N.P. is used on environmental, inanimate, hard surfaces at 16 mL/L of water, it is effective against influenza A 2' Herpes Simplex, Adenovirus type 2, and Vaccinia viruses.

DIRECTIONS FOR USE:

DISINFECTION: Use at 16 mL/L. For best results, W-420 N.P. should be applied to walls, floors and other hard surfaces, with a clean mop, cloth, sponge or sprayer. Allow solution to remain in contact with surface for several minutes to work in, agitate to loosen soil, then remove with mop, sponge or vacuum pick-up. For removal of heavy soil or organic matter, a pre-cleaning step may be necessary.

SANITIZING: Dilute W-420 N.P. 4 mL/L of water. Any surface which comes in contact with food must be thoroughly rinsed with potable water.

PRECAUTIONS: Keep out of reach of children. May cause eye and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food. Rinse empty container with water and discard.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Call a physician. Remove and wash all contaminated clothing. If swallowed, drink milk, egg whites, gelation solution or large quantities of water.

TOXICOLOGICAL INFORMATION: If swallowed product can cause gastro intestinal irritation, nausea or vomiting. Probable mucosal damage may contraindicate the use of gastric lavage. NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DISPOSAL:

- 1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
- 2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
- 3. Dispose of the container in accordance with provincial requirements.
- 4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of Environment Canada.
- 5. For small spills Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.
