1305 HALIFAX ST.,  
REGINA, SASK.  
S4R 1T9

NOTICE TO USER: This Control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

"NATURE OF RESTRICTION: For sale only to pest control operators, farmers, and persons authorized in government approved pest control programs, where the vendor maintains a record of sales, including the name, address, and signature of the purchaser, together with the quantity of product purchased."

DIRECTIONS FOR USE: STIR THOROUGHLY BEFORE USING: Pour contents of can over 5.5 litres of clean oats or wheat. Stir thoroughly until each kernel is coated with poison. Place a teaspoonful of the poisoned grain in or near the burrow of the gopher. Keep from freezing. Burn tin after use.

PRECAUTIONS: Keep out of reach of children. Do not take internally.

CONTENTS MAY BE UNDER PRESSURE.

FIRST AID: IF SWALLOWED CALL DOCTOR. Give emetic only within ten (10) minutes of swallowing, otherwise give nothing by mouth. Keep patient absolutely quiet and in darkened room. Give artificial respiration if breathing fails.

TOXICOLOGY: Note to physician: Give quick acting depressant (anesthetic) to control spasms. Gastric lavage (2% solution tannic acid). Intravenous injection sodium amytal (0.5 grams). Repeat if necessary. Treat symptomatically.

"DECONTAMINATION AND DISPOSAL: For information about disposal of surplus product contact the regional office of the Environmental Protection Service, Environment Canada. Crush or puncture empty containers and bury or send to the garbage dump in accordance with municipal requirements."
