DIRECTIONS FOR USE:

For slime control in pulp and paperboard use 0.2 to 0.7 kg (.22 L-.72 L) NALCON 7647 per 1000 kg of dry furnish. Do not use in potable water supply.

PRECAUTIONS:

Nalcon 7647 is irritating to skin and may cause burns and allergic skin reactions. Avoid contact with eyes. Do not take internally. Wear goggles and rubber gloves when handling. Avoid using chemical in confined space. Remove clothing that has been in contact with this product and wash thoroughly before reuse. Avoid contamination of food. Products containing this chemical are not to be used in food packaging materials.

This product is toxic to fish and birds. Treated effluent should not be discharged where it will drain into lakes, streams, ponds, or public water. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID:

Wash skin with soap and water for at least 15 minutes. If contacted with eyes, flush with water and get immediate medical attention. If swallowed, do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

TOXICOLOGICAL INFORMATION:

Undiluted product could be fatal if swallowed. Give patient repeated glasses of water and contact physician.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Act to use a control product under unsafe conditions.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this

service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
