SECONDARY PANEL – English

DIRECTIONS FOR USE:

AS A HORSE SPRAY: To control stable flies, horse flies, house flies, deer flies, mosquitoes and biting midges, spray a light mist, at a rate of 30-60 mL., over the entire body area where generally attacked by these flies. Do not saturate hair or skin and avoid animal's eyes and mouth. Repeat application not more than once per day. Do not cover horse after treatment

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. This is not for use on humans. Harmful if swallowed. Avoid breathing vapors or spray mist and avoid contact with skin and eyes. Wash thoroughly with soap and water after handling. Do not contaminate feed, water or other food stuffs.

DISPOSAL:

- Do not reuse empty container.
- Follow provincial instructions for any required additional cleaning of the container prior to its disposal
- Make the empty container unsuitable for further use.
- Dispose of the container in accordance with provincial requirements.
- For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and

for clean-up of spills.

FIRST AID: If in the eyes or on skin, flush with clean water. If swallowed, get immediate medical attention or call poison control centre. Take Container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat Symptomatically

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
