NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NATURE OF RESTRICTION: For use by authorized customers where the vendor maintains a record of sales, including the name and address of the purchaser, amount purchased together with a signed Notice to Purchaser agreement.

DIRECTIONS: Twist nozzle to on position before entering territory where bears may be encountered. If a bear threatens depress nozzle. Aim for face and eyes of threatening bear. Spray in a series of short bursts. Spray is most effective at short range. Spray carries up to 5 m (16 ft.). Turn nozzle to lock position when not in use.

PRECAUTIONS: Capsicum sprays have proven effective in repelling bears approaching closely. Use only as a last resort. There is no guaranteed method of responding to a bear encounter; each encounter is unique. Strict attention to the advice of wildlife professionals on safety is advised. Severe irritation to eyes, nose and skin can occur. Use outside only. Persons with respiratory problems or wearing contact lenses should not use this product. When travelling. DO NOT STORE IN PASSENGER COMPARTMENT. Contact air carriers for regulations concerning air transport. Contents under pressure. Do not place in hot water, near radiators, stoves or other sources of heat. Be careful not to puncture canister and do not expose to temperatures above 48°C (118°F). DO NOT INCINERATE.

FIRST AID INSTRUCTIONS: If contact occurs with skin, nose or eyes, flush repeatedly with cold water. Symptoms usually do not persist for more than 1 hour, otherwise obtain medical help immediately. Medical attention may be required if inhaled. Medical emergency phone: 1-800-993-0538 and refer to OLEORESIN CAPSICUM.

DISPOSAL: When container is empty, press valve to release all

pressure. Dispose of empty container in household garbage. For information on disposal of unused, unwanted product, contact the regional office of Environmental Protection, Environment Canada.
