PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS (and Domestic Animals):

DANGER! CORROSIVE. Causes irreversible eye damage and burns. Harmful if absorbed through skin, swallowed, or inhaled. Do not get in eyes, on skin or clothing. Handle with care and mix only in a closed container. When using do not eat, drink or smoke. Wash hands and face before eating, drinking, smoking or using the toilet. Store and wash all protective clothing separately from household laundry. Use an air-fed respirator with a full face mask during handling and applying. Wear chemical resistant gloves and footwear, and chemical resistant clothing with head covering at all times during handling and applying. Remove contaminated clothing and wash before reuse. Wash thoroughly with soap and water after handling. Do not breathe vapours, spray mist, or sanding dust. Use with adequate ventilation.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg white, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Get medical attention. If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention. If in eyes: Flush with plenty of water. Get medical attention. If on skin: Wash with plenty of soap and water. Get medical attention.

TOXICOLOGICAL INFORMATION: Contains petroleum distillates. Probable mucosal damage may contraindicate gastric lavage.

ENVIRONMENTAL HAZARDS: Toxic to aquatic organisms. Do not contaminate water. Do not apply directly to water by cleaning or equipment or disposal of wastes. Do not allow chips or dust generated during paint removal to enter water.

PHYSICAL OR CHEMICAL HAZARDS: Flammable. Vapours heavier than air cause health and explosion hazards. Keep away from heat, sparks, arc and open flame. In case of spillage, eliminate all sources of ignition. Avoid contact with eyes, skin and clothing. Do not breathe vapours or spray mist.

DIRECTIONS FOR USE: Refer to product data sheet. Vessels must be treated by trained applicators.

STORAGE: Keep container closed when not in use. Store in cool, dry, well-ventilated area.

DISPOSAL: Dispose of empty containers and paint debris in accordance with provincial requirements. For information on the disposal of unused or unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
