D-6700 Ludwigshafen
Germany

BASF CMPP/2,4-D AMINE is registered for manufacturing purposes only. Formulations made from this concentrate may have different properties and uses. Therefore, formulators and manufacturers should develop their own use and precautionary labelling based on their own finished formulated products, and in accordance with all pertinent laws and regulations.

RESTRICTIONS AND LIMITATIONS:

Do not apply directly as is to crops.

PRECAUTIONS:

1. Keep out of reach of unauthorized personnel.
2. Avoid contact with eyes, skin and clothing. Harmful if swallowed. May cause eye or skin irritation. Do not inhale vapours. Wash well after handling and before eating, drinking and smoking. Wash contaminated clothing with soap and hot water before reuse. Do not wear contaminated

shoes.

3. Do not store near seed, fertilizer, insecticides or fungicides.
4. Do not contaminate irrigation water, lakes, streams or ponds by cleaning of equipment or disposal of wastes.
5. Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed fertilizer or other pesticides. Keep away from fire or open flame, or other source of heat.

FIRST AID INSTRUCTIONS:

IF SWALLOWED:

INDUCE VOMITING. Get medical attention immediately or contact a poison control centre. If patient is unconscious, give air or contact a poison control centre.

IN CASE OF SKIN CONTACT:

Wash with plenty of soap and water.

IN CASE OF EYE CONTACT:

Flush eyes immediately with clean water for at least fifteen minutes and consult physician.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

DISPOSAL:

For spills, wear appropriate safety equipment. Absorb spilled product with inert substance such as sawdust, or sand and dispose of by burying at least 30 cm deep in a non-crop, non-graze area away from water supplies.

Crush, break or puncture empty containers and deliver to sanitary land fill dumps in accordance with municipal requirements. Do not re-use containers. Clean equipment thoroughly after use.

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills contact the provincial regulatory agency or the manufacturer.

If involved in fire, use water fog, foam, CO(2), or dry chemical extinguishing media. Noxious fumes may be produced under fire conditions; wear self-contained breathing apparatus. Prevent

water used in fire fighting from entering public water supplies.

NOTICE TO USER:

This control product is to be used in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
