<ul style="list-style-type: none"> • Ensure sprayer is in locked position • Connect sprayer to garden hose and turn on water 	<ul style="list-style-type: none"> • To spray, point nozzle where you want to spray • Bend back white tab • Turn knob clockwise to "ON" position 	<ul style="list-style-type: none"> • Spray evenly over measured area. Applicator will automatically dilute and apply product at the proper rate. • To stop spraying, bend back white tab and turn knob counter clockwise to locked position. Turn off water. • NOTE: BEFORE DISCONNECTING HOSE (to relieve water pressure): bend back tab and turn knob to "ON" position until water slows to a drip. Then turn knob back to locked position. • Disconnect garden hose from sprayer

Product Use Information: 1-800-668-5669

Web Site: www.greencrosscanada.com

DIRECTIONS:

- Apply in late spring or early fall on actively growing weeds.
 - Avoid application during long, dry periods.
 - Do not apply when rain is expected and do not water lawn within 24 hours of spraying.
 - Product acts within a few days and weeds gradually die. Grass fills in as weeds disappear.
-

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Avoid contacting skin, eyes, and clothing. Wash hands after using. Avoid spraying desirable plants such as ornamentals, flowers, shrubs, vegetable and fruit crops, and avoid spray drift onto these susceptible plants. Do not apply to newly seeded lawns until after third mowing. Do not use on bent grass varieties (golf greens). Do not store near seeds, fertilizers, insecticides or fungicides. Keep from freezing.

Protective Clothing:

- Wear long-sleeved shirt, long pants, socks, shoes and chemical resistant (e.g. rubber) gloves.

Operator Use Precautions:

- Rinse gloves before removal.
- Wash hands before eating, drinking, using tobacco or using the toilet.
- If pesticide penetrates clothing, remove immediately; then wash thoroughly and put on clean clothing.
- Remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water, then shower.
- Re-use gloves for pesticide application only.

Re-entry Interval:

- Do not allow people (other than the applicator) or pets on the treatment area during application. Do not enter treated areas until spray has thoroughly dried.

Maximum Application Frequency:

- For good turf/lawn management, normally two applications per year per treatment site are adequate. This does not include spot treatments.

FIRST AID:

If on skin, remove contaminated clothing and wash skin with soap and water. If in eyes, flush with plenty of water for 15 minutes. Obtain medical attention. If swallowed, induce vomiting. Call doctor or Poison Control Centre if symptoms of poisoning occur. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

DISPOSAL:

Do not re-use empty container. Wrap and dispose of empty container in household garbage.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

Scotts No-Quibble Guarantee™
