PIC CORP.
ORANGE, N.J. 07050
U.S.A.

KEEP AWAY FROM CHILDREN. Contains liquid bait which ants find desirable. Ants take it to their nest to feed the larvae and queens - thus in about 7 days the entire colony is destroyed.

DIRECTIONS: In the house only a few drops are needed. Place drops along the ant trails and in cracks where ants are visible. Repeat as needed.

PRECAUTIONS: Harmful if Swallowed. Do not reuse container. Dispose with household garbage.

FIRST AID: If swallowed induce vomiting and follow with milk of magnesia. Obtain medical attention.
