Brampton, Ontario L6T 1E7

Toronto * Montreal * Vancouver * Calgary * Moncton

Read entire label before using this product.

DIRECTIONS FOR USE: Squeeze a small amount of **SEARCH-OUT** directly into cracks and crevices, conduits, motor housings and electrical switch boxes, garbage rooms, lavatories, floor drains (to sewer entries and vestibules), in offices, locker rooms, garages, mop closets and storage (after canning and bottling). Apply to baseboard areas and around water pipes, surfaces behind and beneath sinks, lockers, pallets, and similar areas where insects hide or through which they may enter.

FOOD AREA APPLICATION LIMITED TO CAREFUL CRACK AND CREVICE TREATMENT ONLY. Includes area for receiving, storage, packing (canning, bottling, wrapping, boxing), enclosed processing

systems (mills, dairies, edible oils, syrups).

NOTE: Any powder visible after application must be brushed into cracks and crevices, or removed. Cars should be taken to avoid depositing the product onto surfaces which are exposed or introducing the material into the air. Avoid contamination of food or food processing surfaces. In food processing plants, food service establishments and restaurants, apply only when plant is **not** in operation. Remove all food and food packaging material before treatment. Cover all food processing surfaces and thoroughly clean with potable water before resuming operation.

PRECAUTIONS: HARMFUL IF SWALLOWED. WASH THOROUGHLY AFTER HANDLING. Apply only in areas inaccessible to children and pets. DO NOT USE in nurseries or rooms where infants, ill, or aged persons are confined. Wear respirator when applying **SEARCH-OUT**. Avoid contact with skin. Keep out of eyes.

FIRST AID: If swallowed: DO NOT induce vomiting. Obtain medical attention or call a poison control centre immediately. **In case of eye contact**, rinse with plenty of cold water. If irritation persists, consult a physician.

STORAGE AND DISPOSAL: Store in a cool, dry place. Do not contaminate water, food, or feed by storage or disposal.

1. Thoroughly empty the contents of the container into the application device.
2. Make the empty container unsuitable for further use.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product, and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

See Material Safety Data Sheet for more information.
