#### DIRECTIONS

For SANITIZATION of dishes, glassware, cooking utensils, silverware, bottles, milk cans, dairy and food processing equipment. Clean with suitable detergent, rinse thoroughly, then dip in a sanitizing rinse made with 32 mL of SANI-CIDE to 15 L of water.

For GENERAL DISINFECTION AND DEODORIZATION: hospital wards, sickrooms, operating rooms, refrigerators, lavatories, urinals, hoppers and floors. Clean with suitable detergent and rinse thoroughly. Add 32 mL of SANI-CIDE to 4 L water. Apply solution freely over surfaces to be disinfected or deodorized.

For DISINFECTING clothes, towels and linen: Agitate for 10 minutes in a solution containing 32 mL of SANI-CIDE to 4 L of water. Completely immerse fabric. Add all fabric to be treated at one time. 13 L is sufficient for 5 kg of dry cloth.

For BACTERIAL and MOLD CONTROL on walls and ceilings. Apply to moisten or dampen surfaces. Clean thoroughly and rinse, then sponge with solution containing 64 mL of SANI-CIDE per 4 L of water. Repeat application as necessary to maintain control.

NOTE: Do not use in conjunction with soap or synthetic detergents. Materials to be disinfected should first be washed and RINSED THOROUGHLY. Avoid contamination of feed and foodstuffs.

DANGER - EYE IRRITANT

KEEP OUT OF REACH OF CHILDREN

Severe eye irritant. May cause eye and skin damage. Do not get in eyes or on skin. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food. This product is toxic to fish. Do not discharge effluent into lakes, streams or ponds.

CAUTION

This product is not intended for use in potable water systems.

FIRST AID

In case of eye contact, immediately flush eyes with plenty of

water for at least 15 minutes then get medical attention promptly. In case of skin contact, flush skin with plenty of water for at least 15 minutes. Remove and wash contaminated clothing before reuse. If swallowed, do not induce vomiting, drink large quantities of fluids and get medical attention immediately. Do not reuse empty drums. Rinse containers thoroughly with water and discard or return to drum reconditioner.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

FOR INDUSTRIAL USE ONLY

NOT FOR RESALE
