NUFARM 2,4-D ACID

FOR USE IN FORMULATING ONLY

READ THE LABEL BEFORE USING

GUARANTEE: 2,4-D 99%		REGISTRATION NO. 17045 PEST CONTROL PRODUCTS ACT	
<p>DIRECTIONS FOR USE: For use only for the formulation of herbicides. Subsequent formulators are responsible for providing documentation to support the <i>Pest Control Products Act</i>.</p> <p>PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND/OR UNAUTHORIZED PERSONNEL. Harmful if swallowed. Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Remove any contaminated clothing immediately. Wash thoroughly after handling. Harmful if inhaled. Avoid breathing dust.</p> <p>FIRST AID: If swallowed drink 1 or 2 glasses of water and induce vomiting by touching the back of the throat with a finger or blunt object. Do not give anything by mouth to an unconscious person. Get medical attention or contact a poison control centre IMMEDIATELY. If on skin wash with plenty of soap and water. Get medical attention or contact a poison control centre if irritation persists. If in eyes flush with water for 15 minutes. Get medical attention or contact a poison control centre IMMEDIATELY. Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention.</p> <p>TOXICOLOGICAL INFORMATION: No specific antidote. Employ supportive care. Treatment should be based on judgement of the physician in response to reactions of the patient. For further information consult the Material Safety Data Sheet.</p> <p>STORAGE: Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame or other sources of heat.</p>		<p>SPILLAGE CLEAN-UP: Keep by-standers away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator and coveralls) and sweep up all dust and shovel into a drum. Add broken packages to the drum and seal for removal to an approved disposal site. Thoroughly wash the area with a sodium bicarbonate solution and mop up and place into a drum. Wash again with water and mop up into the drum for disposal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning contact the Provincial Regulatory Agency or the Manufacturer.</p> <p>DISPOSAL: Canadian formulators of this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for information on the clean-up of spills</p> <p>NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the <i>PEST CONTROL PRODUCTS ACT</i> to use a control product under unsafe conditions.</p> <p>NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label, and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product, and accepts the product on that conditions.</p>
