550 mL

Concentrate

Safer Ltd.,
Scarborough, Ont. M1B 2K4

DIRECTIONS: Mix fresh solution. Made of selected soaps that have contact insecticidal properties. Insects must be sprayed directly to achieve proper control. Mix 1 part concentrate to 50 parts water, or 20 mL per 1 L. For aphids, mealybugs, spider mites and whitefly, apply weekly for 2-3 weeks and thereafter repeat as required. For other insects, apply when they occur and repeat as needed.

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN. Concentrated soap may cause eye irritation. Avoid eye contact. Do not use on sweet peas, nasturtiums or delicate ferns. Wash fruits and vegetables before using.

DISPOSAL: Rinse container and dispose of in household garbage. Do not reuse empty container.

FIRST AID: If in eyes, wash with plenty of water. If concentrate on skin, rinse with water. The active ingredients in this pesticide are specially selected soaps. No other pesticides are added.

Code: 2011
