REGISTRATION NO. 12896

PEST CONTROL PRODUCTS ACT.

PRECAUTIONS

Harmful if swallowed. May be absorbed through the skin. Causes skin irritation. Avoid contact with eyes, skin, or clothing.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

DIRECTIONS

For manufacturing use in rendering textiles resistant to the growth of bacteria. It inhibits the development of body odours on treated fabrics. ULTRAFRESH U bacteriostatic activity will last through at least 50 conventional launderings.

ULTRAFRESH U Nonionic can be applied to fabrics from the pad-bath, together with a resin mix if so desired. Assuming a

100% wet pick-up, use a 1.25% solution of ULTRAFRESH U Nonionic in the padding solution. If the nonionic nature of this product creates a problem with a particular resin, other ionic versions of ULTRAFRESH U can be used instead.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician or poison control centre immediately. (Never give anything by mouth to an unconscious person).

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to the treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the Manufacturer.

ULTRAFRESH is a trademark of Kroy Unshrinkable Wools Limited
